Acousticor

A soothing environment helps people do their best day after day. And it makes a positive statement to all of your other stakeholders. Acoustikor from Corona Group can help create that kind of environment.

With a wide range of standard and custom digital colors, Acoustikor provides a stylish way to shape your environment. Whether combined with Corona Group glass or porcelain markerboards, or simply used as an acoustic divider, sound baffle, or tack surface, Acoustikor offers a unique way to enhance almost any space. .

No matter what kind of environment, Acoustikor sends a message. And Acoustikor from Corona Group can help you send the right one.
