

VIP Mobile Boards

## VIP Mobile Markerboards/Glass or Porcelain

- > The VIP Mobile Board is a highly mobile, double-sided, magnetic, glass or porcelain markerboard. It combines twice the writing surface with the ability to "pin" notices and announcements using magnets, and a safe, stable base on locking casters.
- > Frame is Matte Anodized Aluminum or Powder Coated.

### Dimensions:

MAX SIZE: 54" w x 48"h

MAX BOARD DIMENSION: 57"w x 78"h

Custom sizes available, contact Corona Group.

Overall dimensions                      78"h x 25"d

Custom sizes and options available.

- > Accessories for all materials are available in Kits or Individually, contact Corona Group for information.

**WARNING!** Glass product uses very strong magnets. If swallowed, contact a doctor immediately. Children under the age of 6 and any child that puts objects in its mouth should not be allowed to come in contact with the magnets. These magnets should not be stored near electronic equipment. Persons with a pacemaker should maintain a safe distance from the magnets.
