

## Intersection Flex

## Intersection Flex Free Standing Presentation/Divider System

> Intersection Flex is a unique free standing divider system that enhances your ability to divide space and capture ideas. It can combine a variety of materials to create a divider system not bound to a wall or attached to a ceiling or header.

> Select from a wide array of standard and custom materials. Standard materials can include Glass, Porcelain Markerboards, Fabric or ACOUSTICOR panels; and perforated steel or mesh, in single or double sided applications.

> Flex provides the ability to create specific spaces for desking and meeting areas in an open office environment.

> Strong, lightweight frames available in clear satin finish or black.

> Intersection Flex can be designed to fit your space and unique requirements.

> Contact coronaVISUAL for fabric, Acousticator and other usable materials, as well as pricing information.

> Visit our website [coronagroupinc.com](http://coronagroupinc.com) to view fabric and ACOUSTICOR color options.
